<p><b>Wiltshire Treehouse AGM 2021</b></p> <ul style="list-style-type: none"> <li>- <b>Welcome &amp; introductions</b> The trustees and staff were joined by 4 of our volunteers.</li> <li>- <b>Short Presentation</b> <a href="https://www.wiltshiretreehouse.org.uk/uploaded_files/1090/images/2021%20AGM%20Presentation.pdf">https://www.wiltshiretreehouse.org.uk/uploaded_files/1090/images/2021%20AGM%20Presentation.pdf</a></li> <li>- <b>Questions/feedback from attendees</b> KB ended the presentation by thanking the volunteers and trustees present for their passion and commitment, without which WTH would not be able to function.  GJ asked about projections for total 2021 stats, due to significant increases in referrals so far. KB advised that total number of children and young people supported during the first 6 months of 2021 currently total 218. As this is only 5 below the total for the whole 12 months of 2020 (233), we're on course to double this figure.  KB explained that referrals involving a covid bereavement were not as high as expected, and this appears to be the case across other grief support organisations also. Therefore increase in figures may be due to lockdown preventing normal support avenues, as well as the media highlighting what help is available.</li> </ul>	

FA thanked KB for the amazing job that she does as the Service Lead, and highlighted her imaginative and professional approach to transforming the service during 2020 in order to continue helping the people who needed us.
